Hi Marty,

I'm not aware of efforts but can follow up with Metro.

All,

Please see the attached Operating Plan for Integrated Mobility Hubs. Also, below is the link for the City's bikeshare implementation plan. As you can see on page 13, Hollywood is part of Phase 4 scheduled for FY 2019-20:

[http://clkrep.lacity.org/online/docs/2015/15-0985\\_misc\\_f\\_08-20-15.pdf](http://clkrep.lacity.org/online/docs/2015/15-0985_misc_f_08-20-15.pdf)

Please let me or Angelo know if you have any questions.

Thanks,

All,

LADOT is working with Metro to accelerate the timeline.

LADOT is currently working on the RFP to hire the team of vendors that will deliver the Mobility Hubs project to Hollywood, with the idea that it will be sooner than originally planned.

However, as always, these things do take time so I want to stress that the accelerated timeline is not a guarantee. But that is the idea.

Thanks,
